Racing Event

DURATION: 4 Hours

This popular program is ideal for organizations looking to provide a unique and memorable experience for small to large groups. Under expert instruction and supervision, your group will form into individual sailing crews of 4 – 6 people on each boat. Each experienced instructor/skipper will guide and encourage each crew member to take an active part in the steering and sailing of the yachts.

The experience creates the opportunity for groups to take on a dynamic challenge, develop new skills and strengthen team spirit - All while having fun on the beautiful Puget Sound.

About Seattle Sailing Club

For over 50 years, Seattle Sailing Club has been the FUN place to learn and sail! We are an American Sailing Association certifying sailing school offering beginner to advanced lessons. After the basic lesson, students move on to become Club Members, using our boats for day sails and overnight charters, participating in our Member Programs, and joining the Pacific Northwest sailing community. Seattle Sailing Club fosters a community of active, supportive, and friendly sailors. Come join the fun!
